CAMX Abstract Submission Form

Education Sessions are 55-minute presentations and are not accompanied by a formal research paper, instead they focus on case studies, best practices, issue reviews, etc. In addition to completing this full application, submitters will be required to provide a detailed session outline, a draft presentation to be peer-reviewed, and a final presentation to be peer-reviewed. Abstracts that are deemed too commercial in nature will not be accepted.

* Indicates required field.

Track *

Select one Track that best aligns with your abstract topic.

Will your final submission be ITAR restricted? *

All abstracts should be open to the public and not ITAR restricted.

(No response)

Abstract Title *

An abstract must have a short, specific title that indicates the nature of the Education Session. Only the first word and proper nouns should be capitalized, and the title should not contain any abbreviations.

(No response)

Abstract *

Provide a 200-350 word abstract. Be as specific as possible by including what technologies or strategies will be covered, case studies cited, etc. This will be used by the conference committee to evaluate your session. Do not include any additional author or contact information in this section.
